LIMITED WARRANTY

Küryakyn warrants that any Küryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Küryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
 - The product must be properly installed, maintained and operated under normal conditions.
 - Küryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Küryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Küryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Küryakyn and a customer.
- Küryakyn products are often intended for use in specific applications. Küryakyn makes no warranty if a Küryakyn product is used in applications other than intended.
- Küryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Küryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Küryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Küryakyn. Küryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

- When mounting the GranTraveler bag on the luggage rack, use either the 8" Hook & Loop Straps, or the Adjustable Straps with Clips. Be sure the GranTraveler bag is secure and that the mounting straps do not interfere with the safe operation of your motorcycle. Use the adjustable straps and the Velcro clip straps to secure the GranTraveler Bag to your motorcycle.
- When mounting the GranTraveler bag to the passenger seat, Kuryakyn recommends securing the bag to the passenger footpeg, or the frame with the Adjustable Straps with Clips. Be sure the mounting straps do not interfere with the safe operation of your motorcycle. DO NOT secure the GranTraveler Bag to the swingarm or any other part that moves independently from the seat.
- After installing the GranTraveler Bag, be sure to check for proper clearance between the bag and any moving parts. Never place the anchoring straps near the wheels or brake calipers. Be sure the placement of the GranTraveler Bag does not interfere with safe operation of the motorcycle.

FEATURES

- The GranTraveler bag has multiple D-rings for flexible mounting configurations to meet many applications. Use the included adjustable straps to secure the bag to your motorcycle.
- The GranTraveler bag has two removable side pouches so you can take small, essential items with you while leaving the GranTraveler bag behind. The side pouches each feature an adjustable strap and belt loop. The pouches can either be slipped over a belt, or worn as a fanny pack or shoulder purse by adding the adjustable strap. We recommend removing the lower pouch when rolling the GranTraveler bag to avoid damaging the lower side pouch.
- Wet weather is no problem for the GranTraveler bag; an included rain cover keeps the bag and its contents protected and dry. The rain cover stows in its own pocket when not in use.
- An expansion gusset on the GranTraveler bag allows you pack even more into the main compartment of the bag. The gusset zips down when not in use to reduce the size of the bag.
- The pull-out handle and wheels make moving the bag easy and convenient. The handle collapses down and out of the way when not in use.
- The GranTraveler bag also makes a great carry-on when traveling by air. The bag is sized to stow under the seat or in the overhead compartment of most commercial airliners.
