LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
 - The product must be properly installed, maintained and operated under normal conditions.
 - Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
 - Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'S contained in components of Kuryakyn products will be warranted for defects in materials and workmanship for 3 years from the date of purchase where as all other components shall be warranted for one(1) year. This includes, but is not limited to; control modules, wiring, chrome & other components.
- Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

ATTENTION! The adhesive may not correctly bond if applied at temperatures less than 50°F. Do not attempt this installation in temperatures less than 50°F.

STEP 3 Rub the backing on the adhesive strip to activate the adhesive before applying. Remove the adhesive backing. Press the Left Frame Trim into place for 1 minute to ensure proper adhesion. Full bond strength will occur within 24 hours.

PROCEDURE — RIGHT SIDE

STEP 4 Depending on model, exhaust system may have to be loosened to allow part to be fitted correctly. This is done by loosening rear exhaust mounts (two bolts that attach lower muffler to the frame bracket).

STEP 5 Remove right hand side cover.

STEP 6 Use included alcohol wipe to ensure that right side frame casting is clean and free of all grease, dirt and other road grime.

ATTENTION! Thoroughly clean the area of grease, oil, dirt, or other debris to ensure proper adhesion. Küryakyn WILL NOT warranty any parts lost due to improper installation.

ATTENTION! The adhesive may not correctly bond if applied at temperatures less than 50°F. Do not attempt this installation in temperatures less than 50°F.

STEP 7 Pull outward on exhaust system so that part can be installed by feeding the cover behind the exhaust. Rub the backing on the adhesive strip to activate the adhesive before applying. Remove the adhesive backing. Press the Right Frame Trim into place for 1 minute to ensure proper adhesion. Full bond strength will occur within 24 hours.

STEP 8 Re-tighten exhaust system and replace side cover.

ATTENTION! It is the installer's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Küryakyn will not issue a warranty on components lost due to improper installation. Periodic maintenance may be required.

Ride On!
