

MOTO SHINE MS 1

Gloss spray with colour enhancer

Description

Special gloss spray for the perfect finish after cleaning a vehicle. Gives a lasting shine to varnish, plastic, chrome, etc. and forms an antistatic film with drop-repellent effect. Also ideal for vehicles at trade fairs and showrooms. MOTO SHINE has a pleasant cherry aroma.

Product features

- Perfect gloss finish after cleaning
- Repels water
- Antistatic film
- Can be used on varnish, plastic, chrome, etc.
- Cherry scent

Application

Shake well before use. Spray onto the desired areas and rub in with a soft, dry cloth (ideally the MOTOREX microfibre cloth) and rub across the areas in question, making sure to cover all areas thoroughly. Not suitable for matt paint, tyres, handles, seat, etc. Be very careful to avoid any contact with the brake discs. Do not use in direct sunlight. If in doubt, test on a non-visible surface to check compatibility

Notes

Especially for racetrack users, MOTO SHINE MS1 is ideal for dissolving and cleaning away tyre wear debris and dirt picked up from the asphalt.
